This table displays a list of learning outcomes for your programme.

t dents on Progra e ta •e

This table is reached from the main Programme Convening page, by clicking on a link in the 'Students' column.

This table displays a list of students on your programme for the selected entry cohort. To switch between entry cohorts, use the drop-down in the table sub-header.

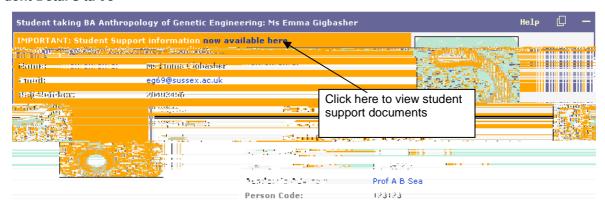

To view all students, including those who have left the University, changed programmes, or completed their programme, click on 'All Students' in the table sub-header. If any students have changed programmes, the 'Programme' column will then display the name of the programme to which a student has moved. This will be shown with a pink background colour.

Students with support needs are shown with an orange background colour. You may optionally read their

Progra e Directory

This is available from Searches > Directories > Programme Directories

The Programme Directory allows you to search for Programmes at Sussex.

The directory is not case sensitive. You may enter information into one or more fields. You may enter part or all of a search term. For example, to find a Programme whose code is X1234U, you may enter X123, 23, 34U, and so on.

Click on 'Search' in the table header to view your results.

If you are the Programme Convenor for any of the Programmes in the search results list, the Programme will be highlighted and you will be able to click o
