TUESDAY LUNCHTIME SEMINAR SERIES

Summer Term Programme 2000

Library Meeting Room*: 12.30 - 2pm

9 May **Health, sickness and the work ethic**

Helen Busby (The Public Health Research and Resource Unit, University of Salford) will address the definitions of health and sickness in relation to the concept of "fitness for work". Using an analysis of writing from the Mass Observation Archive, she will look at how we define being sick.
